Dialogue 3

Room service

Room service: Room service, good morning.

Mr. Black: Good morning. This is room 113. I'd like some breakfast, please.

Room service: Right. Excuse me. Mr. Black?

Mr. Black: That's right.

Room service: What can I do for you?

Mr. Black: I'd like some grapefruit juice, marmalade, two scrambled eggs with two sausages, toast, and a pot of black coffee, please. How long will it take?

Room service: Just a few minutes, sir.

Mr. Black: That's great. Thank you.
