Checking-out

Receptionist: I hope you enjoyed your stay in our hotel.

Mr Black: Absolutely. Here are the keys...

Receptionist: Perfect, thank you. Would you like to settle the bill now?

Mr Black: Certainly. How much will that be?

Receptionist: The bill comes to 2800 Czech Crowns. How would you like to pay for that?

Mr Black: Oh, I thought you said the room would cost 1200 per night.

Receptionist: Yes, that's right. Let me have a look at your bill... Here is also room service included in the final sum.

Mr Black: Oh yes, sorry, I completely forgot about that.

Receptionist: Oh, that's no problem.

Mr Black: I'll pay with my Visa, then.

Receptionist: Thank you and here is your receipt. Have a nice trip home, Mr Black. Thank you for staying with us.

Mr Black: Thanks, bye.

Receptionist: Good bye
